## Location

Marlborough Airport is a busy regional airport at Woodbourne in the sunny Wairau Valley on the north-eastern corner of the South Island of New Zealand. The airport is located 10km from the centre of Blenheim in the centre of New Zealand's premier wine growing area with easy access to excellent accommodation and restaurants.

Picton and the Marlborough Sounds are located approximately half an hour by car from the airport and Nelson is 70km (one and a half hours by car) from Blenheim.

Marlborough enjoys high sunshine hours and a temperate climate.

Air New Zealand and Sounds Air fly scheduled and chartered flights into Marlborough.
