

MARLBOROUGH AIRPORT PUBLIC CAR PARK TERMS AND CONDITIONS

FOR SEASON PARKING

1. Season parking customers are recognized by their vehicle license plate number.
2. Two vehicle license plate numbers can be loaded per customer account. The season parker account will only allow one vehicle in the car park at a time. If the second vehicle enters the car park it will be notified at entry and the entry barrier will not automatically open. The second vehicle will be required to take a manual ticket by pushing the Ticket Request Button (Yellow Button) on the entry machine. These manual tickets will be processed as a Casual Customer and payment will be required before exit.
3. As parking access is issued against the Vehicle License Plate, Marlborough Airport Limited needs to be notified of any changes to customer details.
4. Season parking is valid for 12 months only (01 July to 30 June FY) and any pro rata of this is at the discretion of Marlborough Airport Limited. Payment is required for renewal upon receipt of an invoice from Marlborough Airport Limited, prior to the expiry date.
5. Season Parking is limited to 30 days continuous, unless prior approval is received from Marlborough Airport Ltd.
6. Notice of cancellation is required from the Card Holder and no credit or refunds are permitted on the season parking passes.
7. Season parking customers must comply with all the Terms and Conditions for parking at Marlborough Airport, as displayed in the car park.

For further clarification on any of these terms and conditions,
